The move will begin 9th December and will be completed by the 15th January. All deliveries and correspondence should be sent to the new address from the 1st January.

Maryport Marina is a very well managed marina located just 12 miles north of Whitehaven. Our office will be located in the boatshed. Space can be booked in the shed by contacting the Marina on 01900 814431. There is also an excellent café and a Motorhome park on site.

We are sad to be moving from Whitehaven where we have been based for the last 15 years, but we look forward to a bright future in our new home. We will continue as Victron Energy Specialists and Raymarine Service Dealers. We will continue to develop our business in digital switching, Lithium Power Systems Marine- Mobile-& Off grid systems.

We would like to make it absolutely clear that we have no association with, and do not condone the business practises of, any business based at the Whitehaven Boatshed.
